9 Peaceful Day has impressed so far and is still unbeaten after four starts. The mare has looked really nice and will be hard to beat again.

1 Cuarto De B. has a nice starting position and comes from a good performance. Should be seen as the biggest threat to our pick. **7 Judy Zet** did alright in the last race but is getting a little better with each start and if she finds the lead her chances will increase. **10 Nikita Di Quattro** is speedy but gallops a lot too. Could surprise without a mistake.

7 Gleam Kronos is a half-brother to Fighter Kronos and making his first start in life. The mare is our pick in a wide open race. **2 Jadon Sancho** comes from a good qualifier. Hard to predict in this debut, of course, but from a good starting position he could be in the fight for victory **5 Mister Malabar** has galloped in two of four starts, but has shown quite good speed and if he avoids a mistake he is good enough to be in the mix. **11 Sarabi N.O.** is making progress with every start but needs some luck from this starting position.

12 Ersa Frej did well in the last race after being interfered just one lap from the finish. The filly has both the speed and the capacity to pass this field despite this handicap. **9 Höstbo Marcus** has not started since August, but if his form is just okay he is good enough to win a race like this. **6 M.P.Atlas** gallops a lot, but he has the capacity and speed to be in the fight for victory. **13 Eldida** comes from a strong effort and will once again be driven by Magnus A Djuse. In the mix.

6 Emilia Esperanza has made two good efforts and is clearly in the running to win this race. The mare showed opened fast in the last race and will be hard to beat from the lead. **4 Hagaz Fleur D'Niut** has galloped in four of seven starts. Comes from a strong effort and if she is as good now she has a nice chance. **1 Koffe** came back after a pause in the last race and should be improved by that start. **2 First Lady Ghill** is driven by Magnus A Djuse for the first time which is interesting.

5 Homely Style is matched against tough competition and is stepping down in class now. He has good capacity and if he handles this lane he should have a good chance. **15 Havana Heaven** is strong and can do it tough. Good enough to pass the whole field. **7 No Doubt Boko** is a quick starter. Should be able to take the lead after the first turn and is the horse to beat then. **13 Dostojevskij** caused an upset in the last race. He scored a nice win last time and should not be overlooked.

1 Global Email is coming back after a few weeks break, but uses to do well straight away. Has won five out of seven races from the lead and will not be easy to catch from there. **2 License Tp Lead** held strongly in the last race. Should reach a good position from here and could score his fourth win of the year. **10 Marie Mareh** is good for this context and if she competes at her best she is one of several horses who can win this race. **3 Barabbas** held strongly in the last race and with a similar performance this time the four-year-old should not be underestimated.
