6 Googooman has earned the most money but was not at his best in the last race against much tougher opposition. Normally he is in the fight for victory. **4 Balder Face** has not won yet this year but in this company he should be considered early. **8 Haut Doctor** has a tough draw but he has been quite consistent and good at the end and could also be a contender here. **7 Kvåles Ruin** likes the short distance and is driven this time by Dag-Sveinung Dalen. Possible.

6 Hansine S. won straight away in the last race after a layoff and should be even better now. Has taken three wins and three second places in nine starts. Good chance in this company. **9 Kringlers Loke** won two starts back after a very long break and got locked in last time. Tricky number but an early challenger. **5 Kvåles Nobel** is not entirely reliable but came back well after a mistake last time. Good lane and early choice. **7 Lesja Lekker** has not scored a place yet this year but been quite consistent and good. Could be a place bet this time.

8 Bragd has won six of 16 races this year and has done really well. Bad lane here but normally he has a good chance to pass this opposition. **3 Viggmin** has seven wins in 13 races this year. Not at his best last time as a big favorite but has a good lane and is normally in the fight. **1 Lauvås Farsin** also wins often and is in good form. This number could be tricky but with the right trip he can definitely win. **7 Brosjan** is quite consistent and good and could be an outsider in this company.

2 Kvikk Vinn was really good in several races last spring. Now comes back after a longer layoff and should be considered straight away in this field. **7 Lille Utah** has not won yet after 15 attempts but soon it is his turn! Was second in the last race behind Hansine S. and is driven this time by Dag-Sveinung Dalen. **10 Iver Mollyn** was also good in a couple of races last spring and he has had a layoff too. Needs a bit of luck from here. **4 Nicoine** could be an outsider. Has taken two wins this year but galloped towards the end. Has got a short break now.

1 Glad All Over has not won yet but is our pick in this weak and open race. Is quite consistent and has an excellent draw. **4 Umoko's Dream G.M.** has not started for several years (!) but comes well prepared and is a contender straight away in this mediocre field. **7 Seventh Key** comes from Sweden. Wasn't at his best in his Norwegian debut last time but faces easier horses this time and has to be considered in his second start for trainer Rune Haugen. **2 Magnifique C.D.** has galloped towards the end. She has two wins this year and that is already worth a lot here. Good lane.

2 Harpos New Yorker was second to Tickettothemoon in the last race and did well. Driven again by Dalen and should have a good chance from this nice number. **4 Divine Superb** likes the distance but his form is a bit of a question mark. Normally he will be in the mix in this company. **11 Holly Vici** is also an early choice but this number is difficult and he needs quick pace and some racing luck. **7 Wicket Surface** is not a superstar but should not be discounted behind the favorite.
