3 Love You Sweden has been at least second in five out of six starts. Has two runs under the belt after a longer pause and is on the way up again. Likes to run in front and faces nice conditions here. 6 Krakas finished really strongly to victory in the last run and she showed 12/800 at the end. This small field is an advantage. 1 Whispering Star has met tougher opponents and is better than the latest results show. Will be interesting to follow for the new trainer. 4 Young Highness got a tough trip in the last run and gave up. Much better conditions this time.

7 Kalaxy Boko was pressed in the lead two starts back. She came in second and was brave. Could reach the front again and faces easier opponents today. Our pick. 4 Prince Charmant uses to meet tougher horses and despite this pause he has to be considered early. Nice task here together with Ulf Ohlsson. 9 Taxi May won after a perfect trip two starts back and should not be overestimated. Improved by the latest run though. 3 Mind Reader comes from a good third spot on Bergsåker. Seems on the way up and is an outsider.

5 Cobourg Hanover finished well from far back in the last debut for his new trainer. Is up and down but should be improved by the last run. Likes this distance. 7 Mellby Don Juan scored a good second spot in his comeback and came back alright after a mistake in the last run. The Pihlström stable is in good form. On the way up. 1 Toutre has galloped in both races after a pause. Is really good for this class and he did well last winter. Has to be considered. 8 Tempel L.B. has got a break after the last race. Outsider on his home track.

4 Vimse Lars scored a convincing win last autumn on Bergsåker and has been very consistent and good without winning. Easier opponents now and perfect task. Our winner. 9 Fantom finished last season with the first win of the year and was strong from outside the leader. Is in good shape. Challenger here. 3 Bara Blixten galloped on the way to a place in the last run and would otherwise have run a 1.25-time. Faces quite tough conditions money-wise but like this distance. 1 Calle Cornelius does not always show the right attitude but could get a perfect inside trip here.

3 Comte Godiva comes from the first victory for his new trainer. After a quick start to the lead the win was really nice. Good chance to reach the front again here. Our winner. 8 TasteofChocolatie is strong and uses to get offensive journeys. He has been matched against tough opponents and is better than the latest results show. 6 Cemonroc de Coeur did not convince in the last race on ice and before that he got locked in with energy left. Faces perfect conditions money-wise here. 9 Happy Confess can finish well with the right defensive trip and should not be overlooked.

4 **Tinder Lars** was interfered to an early mistake in the last run but came back really well and could win anyway. Is really good for this low class and should have top chance with this nice number. 2 **Spang Vinvar** got a tough trip after a mistake in the last run and gave up. Won in the lead and is a challenger. 10 **Forsberg** looked on the way to victory in the last run but got defeated. Came back well after a mistake in the race before. Is fast enough to cause an upset here. 3 **Hallsta Remix** has been at least third in five out of eight starts. Is strong and possible if the favorite would fail.
