**4 Vill Solen** is coming off a good win and beat several of today's opponents. Earned the most money last year and gets our pick. **5 Ask Viking** was second behind Vill Solen in the last race and is really brave. He is of course looking for revenge here. Challenger. **1 Prinsen** has not raced for a while but is clearly better than the latest results show. Interesting draw and early choice. **6 VG Prinsen** is quite consistent and good and can at least be a contender for a place bet here.

**5 Karlo Vang** wins very often and is all-round. He won a stayer race last time but has earlier done well over today's short distance too. Earned the most money last year and has a good chance again. **2 Delicious Salt** comes from victory and is in good form. One of several contenders behind our pick. **1 Palemas Dream** is very consistent and good and will probably get a good trip from here. **4 Creme de la Creme** has not competed since November 2024 (!). He was fourth in the Norwegian Kriteriet and is of course possible here if he is well prepared.
