8 Dea Orientis W.H. has done really well under the saddle of late. Galloped in the last race but came back nicely to finish second behind Mystic V.B. and is looking for revenge now. **9 Mystic VB** is also good under the saddle. Beat our pick in the last race and can do so again. Early challenger. **6 Custom Captain** made the most money last year but has galloped a lot towards the end. If he avoids a mistake he can surprise. **3 Gatling's Gunner** was second under the saddle in November and he can cause an upset in this race.

6 Ludo U.N. competed as recently as last Wednesday and won comfortably from the lead in a sulky race. He is in good form and can win again with a similar effort. **9 Sitje Svarten** is probably the best horse but he has galloped a lot towards the end and also been scratch due to fever. Earned the most money last year. **5 Tamos Teddine** took two consecutive second places under the saddle in November and December. Didn't win a race last year but is a quick starter and could surprise. **3 G. Tore** is a little bit better than the last results show. He can open fast and will probably get a good trip. Outsider.

1 Karmland Lukas had a good season last year and earned more than 250,000 SEK. Was second from the lead in a major race at Gävle two starts back. Comes back after a layoff but has to be considered straight away. **4 Björlimindi** won six out of 14 races last year but was not at his best last time and has had a pause since then. His form is a bit hard to predict. Early choice anyway. **3 Månestjernas Rex** won in the last race despite a gallop and is in fine form. He is also good for this company. **7 Åsspik** is consistent and good and was third behind Månestjernas Rex in the last race. He is looking for revenge now and should not be overlooked.

Good chance despite a difficult starting position. **7 Helmin Prins** took two good wins at this track in January and can challenge here with a similar effort. **6 Teknovinn S.K.** was second despite a mistake in the last race and put in a good performance. 2 Hearts clearly made the most money last year and gets our pick with this nice number. Has been quite consistent and good at the end. **7 Pontiac** also had a good season last year. A bit tricky number but finished third in the last race and is a challenger. **6 Present Tile** faced too tough opposition in the last race but had done quite well before that. Easier now again and is possible in this company. **8 Bugatti Miles** has earned the most money. Hasn't won for a while now but comes from a second place and his form seems to be on the way up. Should not be overlooked in a fairly open race.
