9 Jagger Boko won three races in a row during the spring last year and in June he won in the V75 in Boden. With the seasonal debut under his belt he is our pick here. 2 Arizona Dream put in three good efforts in March. He was unplaced but came back well after a mistake and has scored two wins lately. 10 Inge B.Svärlig was the last horse in the final turn in the last Solvalla race but finished really well to a second spot a bit behind winning Certainly. 3 Huddlestone could reach a nice position directly and should not be overlooked then.

8 Money Smile finished well when he won the debut in Rättvik in August. In October he won with energy left on the same track and in the last run he scored a good third spot. He is gifted and should be considered directly. 9 Hazard In has put in two good efforts in a row. He is starting to show what he is able to and has to be considered early if he avoids a mistake. 10 Loveyouecus made his debut over the short distance in the last race and won easily in the lead. 1 Russel Costashorta has two runs under his belt after a break and could be in the mix.

11 Skeie Lotta led from start to finish on Färjestad in September and won in a new record. The mare was not empty at the end and in the last race she won despite an early mistake. She is fast enough to win again here. **2 Sundbo Komet** scored a strong victory in January and can do it tough. **14 Järvsö Bukefalos** has one race under his belt now and faces nice conditions money-wise here. Has to be followed. **13 Vårbusen** came back well after a mistake in the last race and finished second after a strong final lap.

1 Nyhet has not raced since December when he made his seasonal debut in the last run but showed good form directly and won in the lead. If he reaches the front again he will not be easy to defeat. **3 She's Ready** won many races this winter and has got tough journeys lately. Early contender with the right trip. **6 M.C.C.Orlando** has won two races together with Daniel Wäjersten and the driver knows bim well since he was the trainer when the horse scored his victories. **2 Amour Amour** won together with this driver in December and is an outsider.
