5 Global Tailwind has won two out of three races this year and scored a very convincing victory in the V75 this winter. Resumes from a spell here but faces very nice conditions in this small field. 4 Axl Brown has been unlucky lately and had energy left on several occasions. Comeback now but can do it tough and is the best horse in the first circle. 6 S.G.Charpentier was finally improved again and scored a nice victory. If he avoids a mistake he will be in the mix. 3 I.T.Inventor wins often but is not reliable. Would prefer quick pace and can do it tough.

11 Belmondo Gar has been competing against tougher opponents than these. Scored his first victory in the last run and beat similar horses then. Won comfortably and is the horse to defeat here. 3 Gittans Angel beat easy opponents in the debut from behind the leader. Needs to be improved to win this though. Contender. 9 G.K.Sigill has not won yet but comes from a second spot after a good performance. On the way up and should not be underestimated. 8 Adorable Princess has not convinced for the new trainer but showed good speed after a mistake in the last run.

14 B.W.Sessa is fast for this class and the form is better than the latest results show. Would have fought for victory in the last race without a mistake and chases revenge here. 1 Höstboballerina is well drawn and can open fast. She won in April after a nice defensive journey. Early contender. 11 Minna C.G. is strong and can do it tough. New class now but should be considered and comes from a strong performance too. 10 Skeie Lotta has galloped a lot lately but could score a nice victory earlier this spring. Interesting here together with Mats E Djuse.

4 Stabilizer had not impressed for his former trainer but he has started really well for Markus Pihlström and scored four straight wins. Is strong and can do it tough. Hard to beat again. 8 Bowling el Mar is speedy and has finished really fast lately. Tricky handicap now over the short distance. 2 Midas Mirakel has met the best horses as a two-year-old but the chances are not easy to predict in this comeback and seasonal debut. 13 Kaj di Quattro has done quite well in tough V75-races. Is possible too behind the favorite.
