4 Four Guys Dream has run two races after a pause but has been a non-starter after that. The form is a question mark but he is really good for this class. Normally good chance to win this. 6 Spickleback Face has good speed for this company. 8 Kennedy is more strong than fast and quick pace would be an advantage. 5 Bonny Boy has not convinced for a while but is good for this class. Should not be overlooked.

9 Al Pacino has not convinced so far but is fast and faces quite easy opponents here. He should have a good chance to win this. Our pick. 7 N.L.O. did not trot perfectly in the debut for his new trainer but was improved in the last race and seems on the way up. 8 Ready to Go has put in a couple of good efforts lately and really deserves a victory. Tricky number but with some racing luck he is possible here. 3 Deserts Machoman was defeated in the lead in the last race. Scored a good victory before that. Contender.

2 Bitcoin found an early lead in the last race and won with energy left after a quick finish. Could reach the front again here and has top chance in that case. Banker. 8 Eye on the Hill scored the latest victory five starts back and needs new racing points. Early contender here despite this poor number. 5 Super Queen C. met too good opponents in the last race but scored a good victory before that. Early contender. 1 Veiled is more strong than fast but this number could be tricky.

Seems to be improved for the new trainer and has a good chance to score a new win here. 9 Outlook ran in the lead in the last race at a quick pace and won easily even if he got tired at the end. Different number this time but early choice again. 11 Remburs R.D. has put in several good efforts lately and deserves a victory. 3 Joker of Steel was not at his best in the last race on Charlottenlund but is a lot better than that. Nice number and he should normally have a good chance here. 2 Aida Boy is more strong than fast and quick pace would be a big advantage. Is ideally drawn behind the gate here. 1 Taste of Diamonds galloped directly in the last race and made a mistake before that too. Possible without an error this time. 4 Vulnerable Face has done well lately without winning. Should be considered early here.
