2 Backhammer made his debut for J-O Persson in the last run and galloped twice. Gets a new chance here and should handle these opponents. Good chance without a mistake. 7 Alfred R.G. is more strong than fast. He competed a lot under the saddle lately and could be improved in this sulky race. 11 Moshus Prinsen is interesting in this comeback. He has not competed since August last year but has good speed. 5 Vilgot Frej was second two starts back and did alright. Outsider here with the right journey.

4 Cash Number was castrated like a month ago. He is better than shown so far and is our pick here. 5 Laleh found room after an inside journey with 200 meter to go in the last run and finished alright. Should normally be in the mix in this company. 9 She's Just Joy won in the lead on April 15. Different number here but should not be overlooked with the right journey. 2 Night Delight was a bit unlucky in the final turn in the last run. Finished alright then a bit behind the winner.

4 Banana Joe was unlucky behind a tired opponent in the last run. Looked alright and faces quite easy horses here. Our winner. 2 Always Proud resumed from a short break in the last run. Galloped shortly after 450 meter but came back alright then. Should be improved by that race. 3 Billie Holiday does not win very often but is well drawn and this distance is the right one. Early choice. 12 Charlie Brodde finished quite well in the last run a bit behind the winner. Outsider but needs some racing luck.

4 Florence Ima faces nice conditions with this number over this distance. Can open fast and in the lead she should have a good chance. 5 Bodybuilder has not started for one year. Might need this race but he is fast enough to be in the mix in this company. 8 Axl Brown has galloped a lot lately. Is better than the latest results show and if he is at his best he is an early contender. 12 Jamaica Boko finished well to fourth two starts back. Quick pace would be an advantage.
