2. **KIDY D'EPONA** - Disqualified in both career starts thus far and has a mounted to climb on that evidence
3. **KISS ME D'OLIVERIE** - Left regrets after her recent disqualification at Fougères. Is by Scipion du Goutier and could spring a surprise on her first attempt in this discipline
4. **KITA DU RIB** - Disqualified on debut, her team is trying their luck in the mounted trot. Possible surprise.
5. **KALYPSO DU CAUX** - Failed to impress on debut after losing her stride early in the race. Not a priority in this line-up
6. **KEMETCHA DES BAUX** - Has failed to leave a positive impression in three starts to date and others make more appeal
7. **KIM D'ERABLE** - Finished 4th on debut at the venue and with the natural improvement, can be given some consideration
8. **KALINE JULMA** - Two places and one disqualification from three starts. Tries the Mounted discipline and is not out of it
9. **KER ISA** - Performed exceptionally well at Châteaubriant on debut under the saddle. Up against females only this time, looks a serious contender
10. **KEDGE CASTELETS** - Two places from six starts under harness. Seems to face a tough assignment on debut under the saddle
11. **KELLY DES LUCAS** - Scored against the colts first time out at Dozulé on turf. Boasts a first rate chance here
12. **KALINE DU RIB** - A previous winner under harness, has a lot of progress to offer and should be monitored here
13. **KETTY DE LA BUTTE** - Impressed when winning on her first appearance in this code at Maure-de-Bretagne. Expected to follow up
14. **KAGNOTTE D'AZIF** - Talented filly under harness, is well-entered in this race and looks an interesting prospect first start under the saddle

Summary : It looks like this race could go to KAGNOTTE D'AZIF (14), a talented filly under harness who could make a significant impact on her first attempt under the saddle. KER ISA (9), who clocked a commendable time on debut at Châteaubriant, could be the big threat to the selection. A daughter of Scipion du Goutier, KISS ME D'OLIVERIE (3) should be well suited to the discipline. KETTY DE LA BUTTE (13) is an improved individual since racing under the saddle.

Both KATINKA DU MOUCHEL (8) and KARIMA DU PARC (1) won on their respective debut on turf too and warrants plenty of consideration. KEYPTOWN (3) is not the most dependable but has talent when focused on the job.

13. **IDEAL DU RUEL** - Very useful in this code. Posted a creditable comeback run at Argentan, and appears ready to play a significant role this time around

Summary : INTELLO D'ERABLE (12) does not lack ability and although he was a very delicate horse under harness, he has enjoyed the switch to the Mounted races and can record a third straight victory. IROKO DU LOIR (10) is very effective in this code at the venue and looks the main danger to the selection. A case can be made for both IDEALE D'ABBEVILLE (8), currently in good shape, and I AM DE LA COUR (11) who did show promises at the end of last season.

2. **JASMINE DE L'AVRE** - Well placed in the front row and entrusted to Mathieu Mottier, has a significant role to play
3. **JULIA VIVA** - Well-related filly who missed the first success by a narrow margin last time out. Can go one better

5. **JORDANIE DU VIVIER** - Filly with considerable talent when she can keep her stride together. Top-yard and must be shortlisted
6. **JIMKA COSTARDIERE** - Place twice last year but showed little of note in two outings this season. Hard to make a case for

11. **JOIE DE VIVRE** - One win from nine starts and good recent form. Unshod on all four for the first time and warrants consideration

13. **JUADELOUPE** - Last-start winner who has plenty of early speed and can overcome her poor starting position on second row
14. **JOCONDE DES PRES** - One win from nine thus far and although recent form lacks a bit of depth, should not be overlooked with all shoes coming off for the first time
15. **JADE FOR EVER** - Won once last year and has been in reasonable form this season at lower grade. Unshod at the back for the first time
16. **JOA DE LA LOUTRIE** - Has been struggling with form in recent months and cannot be considered in a race of this caliber
17. **JAFI FOR EVER** - Lightly-raced filly who went off the mark at Saint-Malo last time out. Has more to offer and must be respected
18. **JOY ERCA** - Has done nothing noteworthy for some time now and will have limited aspirations

Summary : In this highly competitive event, the nod is given to JULIA VIVA (3), a daughter of the accomplished Kuza Viva, who came close to a first victory last time out when second and is taken to go one better. JORDANIE DU VIVIER (5) takes a drop in class and in distance so looks a real danger. JUADELOUPE (13) and Jafa FOR EVER (17) went off the mark in their respective last start and must be closely monitored.

- 2. HYACINTHE NAY** - Not sighted in two previous starts in this code - in 2020- and is unlikely to trouble the judges on that evidence
- 3. GUERRIER DE BRETT** - Poor recent form is probably reflective of his chance and is easily passed over in a race like that

- 14. HEROINE DU DAN** - Good last two efforts in this code. Boasts an impressive strike rate when associated to Léo Balu and must be respected

Summary : A winner at Vincennes in an astonishing 1'13"7 when last seen in a Mounted race, HOMEMADE QUICK (13) has shaped up nicely under harness and looks all set for a winning return in his preferred discipline. HELENE D'OSTAL (6) has enjoyed a good start to the year and could pose a threat to the main selection. HULK DU COQ (10) is as reliable as trotters come and warrants plenty of consideration. HIROISE DU PARJAT (10) has also been in good spirit in 2023 and will not go down without a fight. Unlucky in her last start, HEROINE DE GUERRE (9) can be given another chance. If applied, HERA DU DONJON (13) can also make her presence felt.

- 12. HABIBI** - Registered a sixth career win at Amiens in February but has lost his way since then. Look elsewhere

- 15. HOPE YOU CAN** - Consistent performer who is always effective when racing barefoot and must be given serious consideration
- 16. HIBISCUS DE LATOM** - Course & distance winner who is ideally entered. Currently on the upgrade and must have a leading chance

Summary : HURRICANE CARTER (8) keeps winning races and the way he scored on both his outings in 2023 suggests that he will once again be very hard to beat. However it is best to keep a close eye on HERNANDO BELLO (11) who had this race on his agenda for a long time. HURLEVENT (13) who reunites with Eric Raffin on this occasion is another one who has been carefully prepared for this contest. HOPE YOU CAN (15) is a solid alternative in case the selection happens to run below par.

- 2. JAZZ VERONE** - Good consistent trotter who is well drawn on the front tier. Not much room for maneuver in this division but can place
- 3. JACADI D'ARGILIN** - Bounced back to form last time out when barefoot for the first time. Expected to confirm

- 7. JERRY PAULO** - Went off the mark in style at Amiens last time out and gets the service of Eric Raffing. Can follow up
- 8. JERARD DE LA POTEL** - Won two from ten so far including latest but both victories registered on turf. Has it all to prove on sand

Summary : JERRY PAULO (7) posted a fine effort when he went off the mark at Amiens and surely has more to offer. Entrusted to Eric Raffin this time around, he will take all the beating. Yoann le Bourgeois is back at the reins of JUST D'ACADIE (5). The pair won at Graignes early April and looks the main danger to the selection. JASPER'S WAY (9) is clearly an improved horse without his shoes. JUAN PERRINE (18) has a tricky draw but remains a solid place contender.
