**7 Gordini Brick** has a nice task here. Won an extreme sprint race two starts back but made a mistake from the start last time. Good chance without an error for Mats E Djuse in this company. **1 Take Him Sober** could be hard to beat, especially if Rikard N Skoglund manages to defend the lead from this inner lane. **5 Unique Princess** has not won for a long time but put in several good efforts this year. A bit tricky number. Driven by Marcus Lilius this time. **6 Isla Noa Hari** comes from two good performances and is now driven by talented Fredrik Plassen. Interesting.

**3 Hammars Jonte** gets the tip in this mediocre cold-blood race. Is better than the latest results show and is driven this time by Tomas Petttersson which is very interesting. Our close favorite for the lead. **2 Granbarksborren** made the most money last year and is also better than the latest results suggest. Has galloped on the way to good results. Mats E Djuse this time. Very early choice. **12 Optandsprinsen** faces a tough handicap but should not be overlooked behind our top duo. Erik von Essen hopes for quick pace. **10 Olis M.K.** has not won for a while but could be a contender for a place bet together with Marcus Lilius.

**1 Hankypanky Readler** has been consistent and good so far. Won with Rikard N Skoglund in February and finally has a good lane. Will probably get a good trip from here. **6 Exile On Main St** won his seasonal debut and has put in several good performances since then without winning. Early choice in this field. **3 Ragnhild Burge** won from the lead in the last race at Visby together with Fredrik Plassen. Goes for that position again and has three out of three from the front. Has to be considered very early. **5 Jack Johnson Zet** has not won yet but comes from a second place. Run under his belt and fast from the start. Mats E Djuse is driving now. Competes barefoot.

**12 Guli Black** has done really well this year and is coming off an easy win. Has a bit of a tricky number but with the right trip he will definitely be in the fight for victory. **9 Casper A.Y.** has not raced for a while but earned the most money last year and has to be considered directly here in this debut for Anders Wallin. Ulf Ohlsson drives. **11 Järvsö Rikard** is a stable companion to our pick. He was a big favorite at this track last time but galloped and did not trot perfectly. Early choice if improved. **6 Micas Ferox** is probably the best horse in the first circle but the question is where he will end up from this lane. If he reaches the front he could be dangerous.
