2 Custom Cruze gets the tip in this very weak race. Has faced much tougher horses towards the end and should have a good chance from this nice post. **1 Jackpot Sisu** did alright as fifth in the last race and should be improved by that run under his belt. He will probably get a good trip from here. **3 Never Too Late** has not won yet after 20 starts but put in several good efforts of late. Early choice in this field. **4 Hansi Thorup** has mostly just kept up the pace at the end but could be a place bet here.

Early choice. **4 Bjönnum Oda** won comfortably in March and has also put in good performances since then. Should be considered early in this company. **2 Sjö Sara** earned the most money last year and has a good lane. Hasn't really convinced this year though and her form is a bit of a question mark.

Banker. **4 Custom Captain** was second in a ridden race last Thursday.
