RACE 1, V4-1

Auto 2140

11 Perso did well in the debut in October. Found an early lead then and won comfortably. Scored two more wins in April and a new victory in May. In the last race the six-year-old finish well to second. Good chance. **10 Björnemyr Ludvig** is four years old and faces more experienced opponents here. He is developing well though and set a new record in the last race. **7 Moshus Prinsen** has been improved this year and won together with this driver in May. **4 Högnäs Baloo** finished well to a third spot in the last race. He set a new record and seems on the way up.

1 J.H.Mannerheim scored a couple of good wins in April and May and got locked in three starts back second up. He can open fast and if he avoids a mistake behind the gate he should have a good chance to lead this throughout. **8 Order to Fly** has finished well lately and this small field is an advantage since his number is poor. He could be in the mix with the right journey. **6 Noble Superb** has put in a couple of quite good efforts in the V75 this spring and is better than the latest results show.

5 Don't be Cruel was good in the last race and could win despite a journey from outside the leader. With a similar performance he will fight for victory again here. **8 Easy Silence** won easily in the lead in the debut in February. Has scored a couple of good second spots lately and we could not be surprised if he wins here despite this number. **1 Jano di Quattro** seems on the way up for the new trainer where he will run his second start. **7 Elsa Zonett** finished well in the last race and should not be overlooked.

8 Kenzoki Boko has scored five wins in the lead and on all occasions he was driven by Jorma Kontio. Could score a new victory here despite this poor number. **6 Golden Boy Sisu** was fifth from outside the leader in the last race. He had got a long break before the seasonal debut and should be improved with one run under his belt. **2 Kontur** won in the lead in the last race and this number is nice. **5 Artegna Jet** was just closely beaten after a late opening when she tried the short distance in the last race.
