Should have the best chance to win this race. **8 Kit Crown** is used to much tougher opposition than what she is facing now and is one of several horses who can win. **2 Benita Winner** is quite consistent but has not won a race for a while. Early choice with a perfect journey. **7 Vicar** kept up the pace well in the last race and was good enough to pass the field during the final half lap.

**3 Je T'aime Legacy** did not convince last time but can do much better than that. Quick starter and from the lead this is the horse to beat. **2 Zofin Thobo** did well in his mini comeback in the last race. It was the first start in three months and we can expect a better performance now. **1 Bubble Queen** did better than in a long time in the last race and is in the mix with a similar performance. **5 Gavin Rich** is good for this class but has been a scratch after the last race and the form is hard to predict.

**3 Semifreddo S.F.** likes the short distance and should have the best chance to win this wide open race - although the form is hard to predict today. **5 Creme Caramel** did well in the last race but wasn't quite good enough. Showed a 13-time over this distance in the last race and is an early choice here. **11 Therion** has a difficult starting position, but if the pace is high he will pass most of the opponents at last. **1 Pierre Copain** is not that bad for this class and cannot be discounted without a mistake.
