5 Beamer has won two out of three starts for this trainer. The four-year-old faces nice conditions money-wise since he scored his latest win last Monday and earned more than the maximum amount for this race. 1 Weco has scored two easy wins in a row. The four-year-old will certainly need a faster time than he has run so far but is possible again. 3 Grand Duke finished well to second two starts back and comes from victory in the lead. Should not be overlooked. 8 Yazmine has two runs under her belt and belongs to a stable in form with high victory percentage this year.

She has been consistent and reliable and in the last race she won ahead of one of today's challengers. 4 Nordsjö Anna scored two easy wins and was second from outside leading Dunungen in the last race and kept up the pace well. 1 Hail Mary is a top horse who is really good when he is at his best. He won the Derby last year and opened fast then. He ended the three-year-old season with three wins in a row and last year with six straight wins. He uses to do well after the summer. 9 Global Adventure was heavily pressed in the lead in the last race and gave it away. Finished well to victory on Solvalla in June as well and with the right trip from the back he should be considered early in this company. **14 Lome Storm** scored a good win in Arvika in July and in the last race he came back well after a mistake with 500 meter to go. He should be considered if avoiding a mistake. **10 Tangen Svenn** has won more than every third start and is an outsider here.
