5 Umisdeadspot was a couple of lengths behind winning Sandmarine and did alright in the debut. Should be improved by that race and is our pick in this open two-year-old race. 2 Appelaia ran her debut on the Jägersro dirt track. Turf today should be a big advantage. She has to be considered early. 8 Rigel Torkdahl was clearly defeated by promising Red Hunting Hawk in the debut just like the rest of the field. Easier opponents today and possible if improved. 1 Sir Camelot is one out of five horses who make their debut here. They are all outsiders here.

6 Seattle Sun has two races under his belt and was a bit improved in the last run. Our pick in this wide open race for two-year-old horses. 4 Mojn a Fløjn did not convince in the debut quite heavily backed. Can probably do better and this longer distance might be an advantage. 1 Sweet Sweeper has not impressed so far in three races. Was as good as Seattle Sun in the last race though and might be able to challenge here. 7 Boheme belongs to a stable in great shape and might win directly in this debut.

3 Red Hunting Hawk was second to Eternity Tree in the debut and won the race after with ten easy lengths. This longer distance should be an advantage and the stallion has top chance in this Futurity Stakes. 2 Sandmandarine won the debut with two comfortable lengths. Possible here too if she stands this longer distance. 6 Eternity Tree beat Red Hunting Hawk in the debut and was second in the race after just closely defeated. Contender. 1 Tiny Dancer was beaten with half a length by Eternity Tree in the last race and came in third. Should not be overlooked with a similar effort.

3 Could Be King has not lived up to the high expectations for trainer Niels Petersen. Is good for this class though and should be even better after the start in Hamburg. Good chance. 6 General de Vega comes from a convincing victory in Vårsprinten and should be in the mix with a similar effort. 4 Fiftyshadesfreed handled the debut on the Klampenborg turf very well and scored a convincing victory. Early challenger with a similar performance. 5 Sandtastic was defeated by Fiftyshadesfreed two starts back and faces tougher weight conditions this time.

3 Marshi did not convince in the last race on dirt. Much better conditions this time in Larch Aerespremie for this year's Mowerina winner. Our pick. 6 My Vision beat Marshi in Swedish 1000 Guineas but got defeated by the same horse in Mowerina race. Main challenger. 7 My Jamil won Danish 2000 Guineas against stallions and geldings but was beaten with 1.5 length in Mowerina. Early challenger if she is at her best. 9 Penfolds has done well so far and we think the stallion is still on the way up. Outsider.

8 Queen Rouge failed as the title holder in Margareta Wettermarks Minneslöpning and was certainly not fit that day. Is also the title holder in this Fawzia Stakes and should normally have a good chance. 10 Ascot Brass was closely defeated by Queen Rouge in Bloomers' Vase in the seasonal debut. Should be even better now and is an early challenger if she handles the Klampenborg turf track. 9 Careless Whisper is getting better and better and certainly ready to challenge the best fillies and mares. 2 Margrethe was second in this race last year. Has to be considered early here too.
