3. BELLAELO - Nice 3rd on debut three weeks ago at Vichy over 1000m. The step up in trip will be appreciated and she can not be ruled out

4. OPERA MUNDI - Good 2nd over 1400m at Chantilly on debut three weeks ago. Can improve and looks the one to beat

5. PARTIR - Showed promise when 5th at Deauville on only run in early July over 1200m. Will be more streetwise today and has a live chance

6. MAKE A WISH - Fair 4th over 1400m at Vichy on the latest outing in mid-July. Might find a few of these too smart

7. OASINA - Nice effort when 2nd over 1400m at Vichy last time on July 17th. Has the most experience and can play a lead role

8. FAST FLOWING - Newcomer by Starspangledbanner, is from a good stable that can do well with juveniles. Any market support should be monitored

Summary : Narrowly beaten on her debut OPERA MUNDI (4) looks the one to side with in this fillies race. She can improve on that and gets a marginal vote ahead of PARTIR (5) who shaped nicely on her only run at Deauville at the start of July. She will like the extra distance of 200m and looks like a nice prospect. OASINA (7) has the most experience in this line-up and ran well when second at Vichy on her latest outing. She can make things interesting. BELLAELO (3) also showed she is talented on her debut when third and looks best of the remainder.

5. ABBES - 2nd behind CH'EZZA (2) in a Group 1 last time over 2000m when narrowly beaten. Bold show expected

Summary : This could well be a repeat of Parislongchamp in May where CH'EZZA (2) battled hard to get the verdict over main rival ABBES (5). Both of these Arabs are very honest and can once again fight out the finish. EDALBAR (3) was a good second over 1900m at La Teste at the start of July last time out and is by no means out of it, he was fourth in the race at Parislongchamp to CH'EZZA (2), and although he has over 2L to find on his rivals and needs a personal best to win, he can make things competitive. Summary : A good field of Arabians for this AL Rayyan Cup (Group 1). The lightly raced ALSHANFARA (4) was a good winner of a Group 3 race at Chantilly in late June, that was only his second run and he should have plenty more to come. NASSER AL SHAHANIA (6) is probably his biggest rival, he won on his only start over 1600m in May and will know a lot more for that success. EJAABY (2) looks held on his second behind ALSHANFARA (4) at Chantilly where he was second. But he can be of interest from an each-way perspective. GHASSAN II (8) makes up the shortlist.
