

RACE 1, V4-1

Auto 2140

1 Ciak Bi is good for this class and our pick here. He has not competed since April but Nurmos uses to have his horses well prepared. If the horse handles this number he should have top chance. 5 Danilo H.B. never found room from behind the leader in the last run and had energy left. One out of just a few horses here who has shown good form. 6 Baroncini Jet made his seasonal debut on June 1st and failed. Has been a non-starter due to a throat infection after that and the form is a question mark. Is good enough to be in the mxi. 10 Nymke Brigadoon has not convinced so far this year. Typical outsider here.

5 O.M.Keep on Runnin is the only three-year-old but our pick anyway in this mediocre race. She opened fast with this number behind the gate two starts back and could reach the front here. 1 Tobi Hall has got a nice number. Will certainly get a good journey here. If she finds room in time she can finish fast. 7 Rio Fri kept up the pace alright to a second spot in the last run but did not trot perfectly. Can open quite fast and should not be overlooked. 9 Rose of the Year is chasing the first victory. Comes from a good third spot and with the right defensive journey she is possible here.

5 Green and Black was not empty when he galloped in the final turn in the last run. This number five is tricky but without a mistake he should have a good chance. 3 Lobelia is consistent and good. She has not won yet but will soon score a victory. Nice number here. 4 Daydream Tyson was close to score the first win ever two starts back. Is in good shape and will be driven by Magnus Djuse now. 10 Fosbury Zet has done alright without impressing so far. One out of many outsiders here.

4 Urbina Southwind set a new record in the last run and kept up the pace well. Showed fine form and is our pick in this open race for fillies and mares. 3 Vikens Takecool has quite good speed and this short distance is an advantage. Nice number and should be considered even if she has been a non-starter after the last run. 1 Last Gift C.G. had some energy left two starts back and looked alright on Romme too. Nice number and possible if she finds room in time. 6 Escama is better than the latest results show and is one out of many outsiders.
