**8 One Night In Paris** has made two starts for Maria Törnqvist and the horse has looked brilliant. Has been a scratch after the last race. Still has top chance here. **4 Grateful di Calle** makes her debut for Jessica Handorff. Has shown good speed in Italy but is not reliable. Early contender without a mistake. **6 Oo De Lally Boko** was really good in May. Since then she has made two starts without impressing. **2 Fama Victory** needs to bounce back after being eliminated in the last race.

**3 Just Gary** is a bit tricky, but his capacity is high and he is used to face tougher competitors. Could find the lead. Hasn't started frequently lately, but has such capacity that he should have a good chance anyway. **7 Yatzy Töll** has shown fine form for a long time but doesn't win very often. He runs barefoot now, which is highly interesting. **5 Back To Work** has done well lately. Should not be overlooked in this company. **12 Le Roi** is poorly drawn but has good speed.

**6 Sandysoul** won nicely from the outside of the leader two starts back. A good starting position here should mean a good position. In an open race the three-year-old has to be considered early. **10 Golden Tones** met good competitors in the last race and finished nicely in a bit behind the winner. Has shown quite good capacity. **1 Noblesse Brodda** can open fast with the circular start. Hasn't won yet, but has shown nice times. **9 Stepping Powerboy** has not really convinced so far in his career, but is getting better and better.

**12 Young** has galloped in two straight starts and is not reliable, but the horse has great capacity for this type of race. From lane twelve, driver Simon Helm, who has won with the horse before, can take a safety start and then give the horse an offensive journey. **8 Adthemission** has been consistent and good, even though the last win came in September last year. **11 Jisco Vacante** is possible in case of over-pace but needs some racing luck. **10 Carrera Hall** makes his second start for the new trainer.

**7 Not For Sale** has impressed a lot for Daniel Wäjersten, but after being sold the horse is now trained by Kevin Oscarsson. Makes his debut for him here and may of course need a run under his belt, but in this small field he should still have a good chance. **6 Stepping Dreamboy** is the likely leader of this race. If he is allowed to dictate the pace, our pick will have to fight to win this. **8 Freako** has a run under his belt after a change of trainer. **3 Grappa Boy** has come back nicely and been consistent and good. Possible.

**2 Nightrain Boko** never got a real chance in the last race but looked good with plenty of energy left. Perfect conditions here and should have top chance. **9 Klondyke RIver** galloped on the way to a good result in the last race but showed good form anyway. Goes down a bit in class. **7 Global Equity** has impressed a lot under the saddle recently and done really well. This lane is quite poor though. **10 Excellent Diamond** will soon score a victory.
