5 Kozmo Simoni gets the tip. He took three wins last year and scored a good win in the last race together with today's driver Patrik Fernlund. Good chance with the right trip. **3 Call of the Wild** is our favorite for the lead and a challenger. Has taken two wins and a second place in three attempts from the lead. Magnus Jakobsson certainly goes for the front. **1 Googoo Gone** is not reliable but has got a good lane and is an early choice from at least the pocket. **6 King of Cristal** has earned a lot of money this year but he has not won yet after 18 races. Was second with Mats E Djuse at today's track in June.

9 Lonely Nights is our pick in an open race. Jörgen Westholm's horse has started well but he has won from the lead and now the lane is difficult. **4 Lumbermans Malte** is faces perfect conditions money-wise and has been consistent and good so far. Good lane and early choice. **1 Prime Creation** has not won yet after ten starts but he is a very quick starter and has got an excellent number. Rikard N Skoglund is driving now! **11 Capo Lane** faces nice conditions and has shown good form towards the end. Needs a bit of luck from here and hopes for high pace.

10 I.D.Hawksspeed has not won yet after 19 attempts but we think it is time now! He has been matched against much tougher opposition and got locked in with energy left at the end. Keep going, Mats! **8 Ki Ti Vi** has only one win but was very good then three starts ago. Was also good as second two starts back and comes from a V75 race. **12 Legal Eagle Sisu** has done well this year and despite this poor number he should not be discounted here. Hopes for quick pace. **5 Oscietra Imperial** could cause an upset. He can open fast and is our close favorite for the lead here.

4 Valencia has not lived up to our high expectations so far but she is good and can open fast. Our winner in this sprint race. **1 Dostojevskij** would probably have been our pick with a different lane. Where does he end up from here? Has shown good form and Rikard N Skoglund is interesting. **2 B.T.'s Vencor** has been very consistent and good for a long time. Third in the V75 last time and perfect lane. **9 New Lane** comes from two gallops in the V75. Has otherwise done well and is good for this company. Needs a bit of luck from here.
