1 Buzz Lane has shown great speed resources and finished in a sharp 1'09,5 over the last 800 meter. Finds it hard to hold the lead, but in this small field he should find an opening over this long distance. **7 Billy Hill** is a special horse who has performed strongly so far. He has a lot of skills and this will be a perfect general rehearsal for the upcoming Kriteriet heat. **4 Janitah Brook** has shown great development lately and looked in really good shape when locked in last time. **3 Håsjökometen** is speedy and in good shape with two runs under his belt.

1 Merkur B showed 1.14.9/1900 meter after a gallop in his debut, which is strong. Tight start now, which suggests that they were clearly satisfied with the impression. **4 Novo** finished strongly after an initial mistake from the start in the debut and there should be more to come here. Has to be considered early in this type of company. **5 Welland Bro** has shown good qualities, but will return after an injury. Good capacity and the stable is in splendid form. **8 Thunder Brigadoon** is a quick starter and could be an outsider in this race if he avoids a mistake.

10 Hallabaloo has been in completely different races than this one. He won from the lead in the last race with plenty of energy left. The four-year-old is good from behind too and should be able to pass all opponents here. **7 Camille Adi** is going down a bit in class now. If she reaches the front she will not be easy to pass. **6 Il Barone T.P.** met too good horse in the V85 at Östersund two starts back, but has done nice and will soon score a victory. **5 Coins Glen** won in a nice way last time. Met easier horses then, but the impression was good.

4 Gigi l'Amoroso won from the lead in his Swedish debut and should be even improved now. Together with gifted Benzon he gets the tip in a mediocre amateur race. **6 Randon** won closely but comfortably in an easier company in the last race. However, the effort was strong considering the long break and he should be even better now. Some interesting changes too. **7 Green Crowe** started promisingly but has not raced for a long time now and the reports are not very optimistic. **10 Ridgehead Unika** is quick and has been close to the first win of his career lately.

4 Miami Mearas is back after a break, but Svedberg uses to have his horses well prepared. With the right start, she should have a good chance. **7 Bo Katan** is only three years old and faces a handicap, which is not easy. However, she has been matched in tough opposition and has to be considered. **3 Good Business** was very positive in the last race and he could be even better now. **9 Zermatt** did very well as fourth with energy left in a Margareta race last winter. He is good for this class and despite a layoff he is an early choice.

1 Bella Yankee is tough and strong and did well despite being in a strong race last time. Now she races barefoot behind, which is a big plus. If she manages to hold the lead, she has a very good chance of winning. **4 Patrick Hangover** finished really well in the last race finishing 10.9/800 meter. Opens fast behind the gate and in the lead he has taken five of his seven career wins. **5 King** is up and down but owns good capacity when he competes at his highest level. **8 Mellby Lovely** faces completely different conditions this time but was convincing two starts back.
