## RANK

6 Rally Inge won easily in the lead in the last race and looked nice. Tricky number now but will certainly get an offensive trip. Our pick. 4 First Tartar got a tough journey from outside the leader in the last race but could win anyway finishing 12/800. That was his first win ever. In the mix again here. 2 Capone Vox is consistent and good. Is well drawn behind the gate here and should have good place chance. 7 Don't be Cruel is better than the latest results show. Should be in the mix here if he avoids a mistake.

3 Candy Frontline got a tough journey on the outside in the last Solvalla race and was brave. She would be interesting to see in the front here. 12 Shehuntyou down comes from a well deserved victory and won comfortably. Back row draw now plus handicap but with some racing luck she will be in the mix again. 13 Calla Frontline found an opening with 200 meter to go on Gävle and finished alright. Is driven by the trainer now but with the right journey she will defeat many opponents. 1 Tui Southwind scored her first victory in the last race. Won in the lead and will challenge for the front again here.

## RACE 8, V64-5

Auto 1640

5 Hemisphere was on the way to fight for victory with the leader in the last Solvalla race when he galloped on the home stretch. Easier opponents now and without a mistake he should have a good chance. 1 Vici Supreme has been poorly drawn lately. Much better number this time and the horse likes the short distance. 6 I am Rapida is in good shape and can open fast behind the gate. With the right journey from the back she should not be overlooked here either. 12 Wishing Noon is poorly drawn. Needs some racing luck but is possible in that case.
