8 **Marvelous** was unplaced two starts back but did not find room at the end. Did well in the lead in the last race in the second start after a break. Has two runs under his belt now and should have a good chance here. 7 **Bottnas Easy Cash** galloped in the first turn in the last race but came back well and was second and just closely defeated. He seems on the way up again. Early choice. 11 **Amour Amour** has scored nine wins and six victories came over today's middle distance. 9 **Arizona Dream** had five wins this season before the end of April. Has one run under his belt now and should not be overlooked.

1 **West Wind** faces older opponents but is getting better and better. After an easy win in the lead in Skellefteå she did not find room at the end in the last Solvalla race. 5 **Glamour du Desert** has also developed well this year and we would not be surprised if he could score the fourth win of the season here together with Mats E Djuse. 12 **Ryjet** scored a strong victory from outside the leader in the last race and with a similar effort he should be considered. 4 **Cardigan W.F.** has scored all three wins together with Jorma Särkiniva. Has won with autostart and they should not be overlooked here.

8 Importedfrmdetroit finished well to victory in August and has scored a couple of good second spots lately. In the last race he got defeated by Spickleback Face who put in a strong effort. Faces easier opponents now. **6 Zorro Swing** scored the latest win in the lead which was in Lycksele this summer. If he reaches the front he is possible here. **9 Bravo Navarone** did not race last season but is back again and finished to victory two starts back. With the right trip from the back he should not be overlooked. **7 Mr Perfect** finished well in the last race in Skellefteå. With the right journey he should be considered.
