2 Pusjkin is the title holder in this Peas And Carrots Mile and has done very well on his home track this season. Our pick. 5 Plantstepsdream beat Pusjkin over these conditions in Spring Mile but was second and clearly defeated by the same horse in Valley Chapel Memorial. Main challenger. 1 Downtown Leo is on the way to make it to the miler elite and likes the Jägersro dirt a lot. Outsider. 4 Admiral De Vega won Stockholms Stora Pris earlier this year but the chances are not easy to predict on this surface.

5 Irish Action has had a nice season so far with wins in Jägersro Sprint and Zawawi Cup Sprint. Top chance to win this race. 4 El Guanche has the best rating in this field and is the title holder of this race. Has not competed since then and will not find it easy to beat the favorite. 1 Rangoon is a four-year-old who does not race a lot either. Was fourth in Zawawi Cup and just closely defeated. Possible outsider. 3 Mirador got beaten by Mountain in the last race heavily backed. Faces better weight towards the latterone this time. Place chance.

5 Espen Hill comes from an impressive victory in Stockholm Cup. Is not as good on dirt but our winner anyway. 3 Hard One To Please never had a chance in the Stockholm Cup. Showed good form before that though by winning Marit Sveaas. Won the Derby in Malmö last year as well. 4 Seneschal was fourth in the Stockholm Cup and in the race after he won comfortably in Luca Brasi Cup over these circumstances. 1 Tin Win is in quite good shape and faces nice conditions here. Tough opponents though.

7 Oliver's Dream uses to finish strongly and this 1730 dt on the Jägersro dirt is perfect. Our winner. 1 **Alvena Tudor** is in quite good shape and the only win so far was scored on the Bro Park dirt. Possible. 8 **Eko Lalique** is in fine form as well and faces nice weight conditions here as a three-year-old. Possible challenger. 2 **Celebrate Me** was defeated with 2.5 lengths by Oliver's Dream two starts back and faces much better weight conditions this time.

9 Spoonful Of Sugar won over these conditions and put in two strong efforts after that. Good chance with the right journey. 7 **Hazard** did not stand the distance in the last race. Won over these circumstances this racing day last year and could repeat that effort here. 2 **Four Dragons** is possibly not the first choice but she faces better weight here and this 1200 dt is perfect. Typical outsider. 8 **Mr Naughty Boy** has not won yet this season. Scored three victories last year though over this 1200 dt in Malmö. Possible.

8 Umisedaspot has been matched against too tough opponents lately. Easier task here in this Sunday Special. Our pick. 9 El Pepino scored a strong win over these conditions two starts back and is ridden again by Elione Chaves. Early challenger. 2 Malik Alfaykinj is very well bred but the form is a question mark after a long break. Possible if well prepared here. 3 Mr Weeknd scored a shared victory together with gifted Diamond Soul in June and has been matched against quite tough horses after that.
