Auto 2640

12 Jamie Sisu was undefeated as a three-year-old and won two races. He started this season with another victory and has developed well. Good chance. **15 B.Sacamano** had energy left in the last run. He was fourth in the V75 in October and showed that he stands the long distance. Early contender. **6 Uncia** found room late but finished well two starts back. He won in the lead in the last run and should not be overlooked. **10 Like di Serafino** was a non-starter last autumn but has two runs under his belt now and is on the way up.

RACE 7, V64-3

Auto 2140

8 Sensitive Tile won easily on Åby in September and met tough opponents on Solvalla in October. Won directly in the last run for the new trainer. Our pick. **9 Mas Gunnar** has won his four races without a mistake this year and if he avoids an error he will fight for victory again. **5 Vara Palema** has put in two good efforts in November and should be considered early with new driver Niko Jokela. **12 Federal Reserve** won easily in the lead for Ove A Lindqvist in July and scored a good second spot for the same driver two starts back.

RACE 8, V64-5

Volt 2140

5 Maybach W.F. has good skills and won in the lead in the V75 on Umaker in May. Good chance if he finds the lead. **13 Devils Tongue** showed good speed when he won in Skelleftea in July and on Bergsaker in August when he set a new record over the short distance. Early choice. **14 Anything for You** has one run under his belt for the new trainer and should not be discounted here. Needs some racing luck with this handicap though. **9 The Oak L.A.** was good in the last run and is in fine form. In the mix.
