9 Kang the Cruel did not impress in the last run after a longer break. We think he is improved now and he is our pick despite this number in the second line. 2 Nicci Boko galloped directly in the last start. This start behind the gate is an advantage. Nice number. 1 Nautica started quite well this spring but was not as good after that. Has one run under his belt now after a pause and should be considered early. 5 Barolo Gel resumes from a spell. The chances are not easy to predict here. Place chance with the right journey.

8 Erjon faces nice conditions here. Won comfortably in the last run and was not empty at the end. This circular start is a bit tricky. Top chance anyway. 10 Global Duty made his debut for a new trainer in the last run and should be improved by that race. Main challenger. 5 Kent's Catch Mee makes his first start since August and this is also the debut for a new trainer. Is good enough to be in the mix directly. 7 Exposed Sox is a three-year-old filly who has met tough horses of her year. Outsider.

11 Ava Modde was defeated in the last run after a couple of wins. Put in a good effort though and is still in fine form. Debut over the long distance now and our winner. 6 Eskils Balder is chasing the fourth win in a row. Has not been empty and should handle this 2640 meter well. 1 Basisten has put in two good efforts after a long break. Showed two starts back that he stands the long distance. Has to be considered. 5 B.W.Harry failed in the last run and the form is a question mark. Can do better than that and is an outsider.

3 Nephtys Boko found room late in the last race in Gävle and was not empty at the end. Better number behind the gate now and should get a nice journey. 5 Juliette B. showed good speed for this class this spring. Debut for a new trainer now and she might need this race. Has to be followed anyway behind our winner. 8 Fashionable Dance needs some racing luck with this number eight. In case of quick pace she could pass many opponents at the end. 9 Corona K.L. should get a nice trip with this number nine. Place chance but needs some racing luck.

5 Exactement is our pick in this open race for fillies and mares. She galloped directly in the last start and is better than the latest results show. 9 Never to Young fought well to victory two starts back. Has shown good form and should be considered early. 6 Havannah Line is consistent and good. She gave up in the lead in the last run but should be followed in this company anyway. 7 Rally Juvelen met tougher horses on Solvalla two starts back. One out of many outsiders but needs some racing luck with this number.

11 Global Classified lived up to our expectations in the last run. He faces nice conditions here too and should have a good chance to finish to victory. 12 Barry Wadd failed in the last run but normally he should be considered early in this company. 5 Conch on Inn scored a good second spot two starts back. Galloped in the last run and the form is a question mark. Is good for this class though. 1 Estelle Godiva does not win very often but with this nice number she has place chance if she finds room in time.
