1 Royal Act should have a good chance in this mediocre race. He has started well and this number is nice. Driven this time by Vidar Hop. **2 Gatling's Gunner** challenges. Is clearly better than the latest results show and started the season with two straight victories. Good lane. **4 Ossie Artist** galloped last time but had put in two good efforts before that. Possible if the favorite fails. **11 Hafa Go Go** has been heavily backed and been quite consistent and good. Difficult draw.

1 Legolas is our pick in this cold-blooded race. He took the lead last time and showed the right attitude at the end. We think he will take another win from the lead here. **5 Bölla U.N.** was fifth last time behind our pick and finished fast. She has started her career well and is looking for revenge. **4 Tangen Arwen** has already two wins and two second places in seven starts. Early choice in this company. **6 Skeie Theo** put in a good finish over the home stretch at Bjerke on Tuesday and was somewhat improved.

8 Lystad Loke gets the tip in this good cold-blooded race. The three-year-old won in mid-October and has taken three consecutive second places after that. Good form but poor number. **10 Argr GL** has not competed since June and might need this race. He has otherwise had a definitely good start to this season. **9 Vina Af Sola** comes from victory and is in good form. Should also be followed here. **1 Finseth Vind** was third behind Vina Af Sola last time and is chasing revenge. Has a much better draw than the main rivals.

Won easily second last and came back nicely after an early gallop last time. **7 Kringlers Oda** was not at her best last time but beat our pick second last. A bit tricky number but should be considered early. **4 Lykke Odina** will find it difficult to beat our top trio, but she finished well last time and is a bid for a place bet.
