RACE 1 — V4-1 — Auto 2140 — RANK

7 Jean P.Hill gets the tip in this open race. He hasn't won for a long time but can open fast and should get a good trip despite this number. He faces mediocre opposition. **2 Commander Victory** was positive as second in the last race and has an excellent lane. Has to be considered. **8 Sun's Ambitious** is perhaps the best horse but has got a tricky number and the question is where he will end up from here. Has been consistent and quite good towards the end. **3 Noocandy** is our close favorite for the lead and worth a warning. Was second from the lead at Solvalla in August. Now driven by Svante Ericsson.

RACE 2 — V4-2 — Auto 2140 — RANK

7 Promise'em is a four-year-old filly who gets the tip in this weak race. She can open fast and is our close favorite for the lead. In that case she should have a good chance. **4 Teddie West** has not won for a long time but been quite consistent and this number is good. Should be considered early in this field. **6 The Vet's Mistake** has only one win in 44 starts but was surprisingly good after a big gallop in the last race. Could surprise. **12 Västerbo Google** is clearly better than the latest results show. Challenged the winner in the final turn last time but galloped at the beginning of the home stretch and would have finished second otherwise. Warning.

RACE 3 — V4-3 — Auto 2140 — RANK

3 Kill Posin gets the tip. Has two wins this year and is our close favorite for the lead here. If so she should have a good chance in this fairly open race. **1 Jacara du Pont** has got one run under his belt and is good for this company. The question is where he will end up from here. **11 Hurricane P.T.** comes from a good third place and can be even improved by that race. Poor lane though. **7 Verrazando du Chene** finished well in the last race and came in fourth. Has been a scratch after that but should be considered early anyway.

RACE 4 — V4-4 — Auto 2140 — RANK

7 Leonardo Silvåkra is our pick. He has two wins from the lead this year and we think he will get there again here despite this starting position. Good chance in this company **3 Moufaza S.F.** did quite well as fourth in the last race and should be improved by that run under his belt. Good lane. **1 Mayflower** is not that bad but has not started for a while and the question is where he will end up from here. Shoes this time. **12 Semifreddo S.F.** comes from two approved efforts in regular lunch races. A little easier this time but a poor lane.
