8 Miss Pepper faces very nice conditions money-wise here. She can open quickly and will probably get an offensive run. Early choice. **9 Thai M. Square** is challenging. Finished quickly in the last race and has clearly earned the most money this year. **6 Son Of Sizzling** has taken three wins in twelve starts this year. He won last time at Årjäng and did really well. He faces quite tough conditions but is an early contender anyway. **7 Easy Winner** has been consistent and good at the end and could be a place bet.

6 Keep the Faith gets our pick even though she hasn't started since June. She has taken three wins and four second places in twelve starts this year. Nice task. **8 Luigi Mearas** has earned the most money this year. He will face quite mediocre horses here and should be considered early despite this number. **7 One Of Us** has been heavily backed lately without winning and his form is a bit of a question mark. Normally in the mix. **1 Bi Nka Bi** won at this track in August and should not be overlooked here with a similar effort. Good lane.

4 T.C. Lotta should have a good chance here. She has put in nice finishes lately and this number is really good. Possible banker. **3 Hökås Loke** has galloped towards the end but had done very well before that. Early challenger if he avoids a mistake this time. **1 Skjennem Lykke** has started well and will probably get a nice trip from this excellent lane. Has to be considered behind the favorite. **9 Tangen Rigel** has not won yet after 15 attempts but been quite consistent and good. A place bet.

10 Sitje Svarten is strong and clearly the best horse in this cold-blood race. He won in a really good way at this track two starts back and with a similar effort he has a good chance. **6 Aramis** has won five of 15 races and taken three wins this year. Is in better drawn than the favorite and can challenge with the right trip. **7 Odelsgut'n** has won seven races so far and is better than the latest results show. Has galloped a lot lately though. **4 Sistimai** is not bad but has raced very sporadically lately and is coming back after a long layoff. Maybe a place bet.

7 Global Graceful is very interesting in his Norwegian debut for amateur Ronnie Hansen. The horse has been matched against much tougher horses at Solvalla lately. Normally a good chance. **6 Re Gina** has not won yet after 34 (!) starts but it will be her turn soon! She has also competed in Sweden recently and should be considered early. **2 N.O. Boy** comes from two good efforts on today's track but has had a longer layoff after that. Good draw and possible if well prepared. **3 Victoria Lins** had a difficult lane in her comeback last time. Better draw this time and run under her belt.

4 Silke Odin is coming off a win at Bjerke and has a very nice task here. She has the best draw of the favorites and is our winner. **10 Nordby Eng** came back well after a gallop in the last race. He put in two good efforts before that and should be considered early. Needs a bit of luck from here though. **6 Tom Peng Pung E.E.** has not won yet either but comes from a second place and is approaching his first victory. **9 Helmin Prins** was third despite galloping in his last comeback. Run under his belt and possible behind the favorite.
