RANK

5 Leonardo Da Boko returns after a short break, but the trainer sounds optimistic and the horse is our top favorite and he is clearly the best there. **3 Joe The Juice Sisú** is a bit up and down and a bit tricky too but he scored a good win from the lead. Is well prepared. **9 Verbeeck** took two in a row at the end of last year but has not shown the same form lately. Normally good enough to be in the mix. **11 Carrah** makes the debut for a new trainer and is interesting. The chances are difficult to predict though.

6 Fire Brigade is trained by Timo Nurmos and took his first career victory last week. He won then from outside the leader at Solvalla. **5 Luigina** put in several top efforts last autumn, even though she only won one race then. Owns good speed but has also got a short break. **2 KFCSox** is not as good as brother Bedazzled Sox but still has nice skills. Best chance of Walmann's trio. **4 SG Adele** is our favorite for the lead and is drive with the first American bike here.

AUTO 2140

RANK

11 Wings Level is the best horse here. He has shown good skills against very tough opponents at the end and he finished strongly behind a top horse in the V75 last time. Should win easily. **4 Extremely Sweet** has also been out against very strong horses and was not far behind our pick last time. Could find the lead here. **8 Babaris** took the lead a little unexpectedly early in the last race and won easily. Tougher now but nice shape. **12 Global Destination** did well last time and has a race under his belt now.
