9 Crussi Dull had been scratched before the last start, but was still able to win, albeit against slightly easier opposition. Fine form and should be seen with the greatest chance of winning this race despite this starting lane. **1 Guli Frodo** finished with a 23-lap to win last race and with a similar effort now he will fight for victory again. **2 Rönningsgutten** was not at his best last time and can do better than that. Good starting lane and could cause a surprise. **3 Kajsas Ture** kept up the pace well last time as second. Good form and can surprise.

2 Heartbeat Windy has been putting in nice efforts for some time and comes into this start in good form. Ulf Ohlsson up for the first time and our pick in an otherwise wide open race. **3 Önas Pipita** is coming back after a long competition break and is obviously difficult to judge. Should, however, be counted from a good starting lane. **9 Beluga Launcher** is a quick starter and will reach a good position. In the mix. **10 Viveroo Face** is not bad, but the form is a question mark after a break. Can surprise.

2 Excellent Cleaning is a quick starter and from a good starting lane the horse should have good chances to find the lead and from there he is the horse to beat. **5 Pandora Trot** got a useful run under the belt last time and now it may be time for the first victory of the year. **4 Charlie Brown PC** is consistent and good and will be in the mix with the right race. **10 Märta BJ** was locked in with energy left last time. Is better than latest results show and is an early contender in the race.

9 Fröyu Jerken can gallop easily, but owns good speed for the class. Back draw lanes are never easy, but if he avoids a mistake, as we believe, he should be seen with a good chance of winning. **7 Eld Riga** scored a good win four starts ago with Julia Nilsson in the sulky. Normally in the mix. **2 Guli Smilla** has been matched against tough opponents and this time meets slightly easier opposition. **3 Brisgås Milly** was clearly improved last time as third and should be counted from a good starting lane.

2 Rocket Blaster is a quick starter and is well drawn. Could take the lead and in that position the only victory of his career has come. Our pick. **9 Victory Caelus** won from the lead second last. Looked great in the race after on Bollnäs but got locked in. Will fight for victory. **10 Quint** returns after a break and is difficult to judge. Has very good speed for this type of race and should be counted immediately. **5 NY Voila** likes these conditions, but needs a nice defensive trip to win this.
