**2 Indian Summer** was second behind Lövdala Trinity last time but faced a 20 meter handicap then and now it is an equal start behind the gate. Good number but has had a short layoff. **4 Lövdala Trinity** is unbeaten after two starts and should of course be considered early. Has a tougher task this time towards our pick. Challenger. **8 Kaos** has also started really well and taken two wins in four starts. He is an early choice here as well but this lane is of course very poor. **7 Knightofthehill** has not won yet after 13 starts but been consistent and good. Could be a contender for a place bet.

**4 Izabella Nordic** has won ten out of 29 races. She is coming back after a short layoff but is certainly well prepared by Flemming Jensen. Our pick. **6 Ib** won directly in his seasonal debut at this track and did well despite a rather tough journey. Good form and very early challenger. **8 Gogo Gucci** earned the most money last year and is not that bad but this number is really poor and he needs a bit of luck. **3 Fraja Ice** has five wins in 134 starts. The horse has been consistent and good of late and could be a nice outsider here.

## RANK

**5 Jackpot Magic** is the logical pick. He wins quite often and comes from victory. He beat both our number two and three and should have a good chance again. **3 Kanon Åstrup** was second behind Jackpot Magic in the last race and is looking for revenge. Has a slightly better lane this time and will probably go for the lead. **9 Knock On Wood** was third behind Jackpot Magic and Kanon Åstrup in the last race and has also got a tricky lane this time. Should not be overlooked anyway. **8 Suarez D** returns after a short break and makes his debut for a new trainer. Driven this time by Kenneth Andersen and could be an outsider straight away.

**1 Lille Åstrup** faces tough conditions money-wise but has started really well and will probably get a nice trip from here. Our winner. **8 Leo Wynn** has the worst number but is very interesting in his debut in Denmark for Jeppe Juel. Has to be considered very early. **3 L' amiral Readly** is very fast but she has galloped a lot. She has got a layoff but is probably well prepared by Flemming Jensen. **2 Ivy League** has only one win in 21 starts but he has a good lane and is at least a place bet in this company.
