4 Enforalle P. is speedy but gave up in the last run. Is certainly well prepared by Jensen and will put in a strong effort. 2 Elephant has not raced for a while but Steen Juul is an experienced Danish driver and trainer. Good for this class. 9 Regiment has a couple of runs under his belt for the new trainer and was close to win in the last run. Should not be overlooked here. Warning. 8 Global Workaholic is in good form but this number is tricky. Has to be considered.

Poor race. An upset is possible. 8 Orkan All Over is a quick starter and our pick here. This number is poor over the short distance. Early choice anyway. 3 Gulliver Sisu has not won for a while but he has good capacity and should be considered early in this company. 5 Return of Bols makes his debut for a new trainer after a layoff. Has been working well and been on track too. Early choice. 9 Herman K. has got a nice number for a defensive trip. Contender.

5 Ivory di Quattro has three runs under his belt and is on the way up. Could find the lead after a while here. Early choice. 9 The Real Star has galloped lately but is normally reliable. Back row draw here but possible with some racing luck. 2 Inertial is a quick starter and has got a nice number. Should reach a nice position and is an early contender. 3 M.T.Mighty Winner had energy left in the last run. Got a break after that and the form is a question mark. Normally an early choice here.

2 **Sebbe Cee** was second in the debut but has scored two nice wins in a row after that. Is developing well and should have top chance after an early lead. 6 **Jambers** resumed from a spell in the last run and has got a break after that again. Is gifted. Main challenger. 9 **Åsanna Starline** met too good opponents in the last run but scored two wins in a row before that. 7 **Digital Globe** has not convinced lately but is quite fast and he has place chance in this race.

5 **La Paradeta** has been very successful and scored four wins in the last five starts. Can open fast and has a good chance to find the lead. Good chance regardless the trip. 1 **La Plus Belle** came back fast after a mistake in the last run but has been a non starter on Åby after that. Has good speed. 8 **Cassiopeia** is soon used for breeding but will run a couple of races before that. Without shoes is now allowed in Sweden too and that is a big advantage. 4 **Artemide Zack** made an early mistake in the last run. Is speedy and an early choice without a mistake.

2 Viva la Vida Face won the last run and was improved a lot. Found the lead after 500 meter then and dictated the pace. Disappeared in the final turn and was outstanding. 5 Valeria Wareco is a quick starter and has a good chance in the lead. Has very good capacity. 7 G.R.Winnie has been a bit up and down and the chances are not easy to predict. Tricky number but early choice anyway. 9 Becker has got a nice number for a defensive trip and with some racing luck he will go around many opponents here.
