

RACE 1, V4-1

Auto 2140

1 Amiral resumes from a spell. The horse is good for this class and could win directly here. This number is tricky though. 3 Timotee Journey just ran a couple of races last year and has not competed since September. Has six wins in 13 starts so far and can open fast. 10 Double Formula likes a defensive trip. With the right journey from the back he is worth a warning. 11 Elche did alright from outside the leader in the last run. Could go around many opponents in case of quick pace.

4 Andelskungen To was really good in his comeback in the last run and should be even better now. Faces good horses here but has top chance. Banker. 6 Mons is the main challenger. Made his debut for Daniel Reden in the last run and has seven wins in 15 starts so far. 14 Läckra Lisa owns good strength. Seasonal debut here and might need this race. With the right trip she should not be overlooked though. 9 Tallmons Wiking makes his debut for trainer Robert Bergh. Is possible behind our winner.

9 Hooper des Chasses found the position outside of the leader with 1200 meter to go in the last run and scored a nice victory. Good chance again but he faces a couple of strong opponents. 10 Hombre D. did not have enough points to make it to the V75 last Saturday. Has one run under his belt after a break and is an early contender. 11 Glide Devie has not convinced lately. Is good for this class and should normally go around many opponents here. 12 Ohio U.B. is interesting in this seasonal debut. Has earlier done well for Rikard Skoglund.

12 Ready Doc earned more than 500,000 SEK last year and uses to meet tough horses. Has galloped lately but without a mistake he should have a good chance to beat these opponents. 5 Choco Garline found a very late opening from behind the leader in the last run and had plenty of energy left. Quick starter. Early choice. 7 Au Gratin is in great shape and deserves a victory after three good second spots in a row. 9 Axl Brown got locked in between horses in the last run and looked nice. Could soon score the first win of the year. Has to be followed.
