8 Ethel had not raced for a long while before the seasonal debut but won easily. She has scored three more wins lately and is undefeated this year. 10 Järvsö Neo has won nearly every third start. Has two runs under his belt after a layoff and is interesting here. 3 Guli Em has scored the latest three wins despite a handicap. Is well drawn here and the driver knows the horse well. 5 Teknolina ended last season well and should not be discounted.

1 Twigs Got U. has earlier scored two wins together with Rikard N Skoglund with this number one behind the gate. They should have a good chance to be successful again here. 9 Ellis Pride scored a good second spot behind gifted Borups Victory two starts back and has to be considered early in this company. 3 Google Sisú won comfortably in the lead in the last run. He has earlier won after offensive journeys and can do it tough. 7 Axl Brown is in better form than the latest results show. Should not be overlooked here when avoiding a mistake.
