9 Goroso Sjaman galloped probably on the way to victory in the debut but took revenge in the last race and won easily. Good chance despite this handicap. **1 Nordby Eng** was third behind our pick in the last race but has a 20 meter advantage now. That could definitely be enough. **4 Empress C.K.** has been heavily backed but not really lived up to the expectations. Should not be overlooked. **11 Braaums Jerken** has started well and should be considered early despite this handicap.

5 Intello de Corday gets the tip in this very weak ridden race. He is the only horse that won a race last year and has been quite consistent and good in the end. **6 Tom Ki** was second last Wednesday at Momarken and seems in good form. Early choice of course in this company. **7 R.M.G. Lovely Linda** was third despite galloping in the last race and finished really well. Should not be forgotten here. **8 Whatawinner S.S.** is an experienced horse in this discipline. He is coming back after a layoff and could be a contender for a place bet.

Early choice. **9 Birk Stövern** has not been convincing at all in the end but meets easier opponents this time.
