## RANK

**1 Röde Orm** is coming off a good win and should be even better now with that run under his belt. He is well drawn and gets our pick. **3 Mill Dee** is coming off a surprising win on today's track and should not be underestimated again. Good draw and early choice. **8 Garrido** is better than the latest results show and took three wins in ten starts last year. Has galloped towards the end but if he avoids a mistake, he is possible despite this number. **4 Hit Me** earned the most money last year and has been consistent and good at the end. Has two runs under his belt now and could be on the way up.

## RANK

**5 Cecilia Banker** has started really well for Flemming Jensen. Took two wins in a row from the debut and was third in the last race at Axevalla as a big favourite. Hasn't raced since October but is certainly well prepared. **4 Precious Boy A J** has taken three wins and two second places in twelve starts. Was fifth in the last race despite a mistake. Can open fast and is the main challenger. **7 Lumiere** is coming off a surprising win at this track and seems in good form. Should not be underestimated again despite a tricky number. **8 I'm Vici** has only one win in 22 starts but comes from a second place. Difficult draw and mainly a place bet from here.

**1 Indian Summer** has started well with two wins and two second places in four starts. Flemming Jensen's horse sprinted to an easy win at Jägersro last time. Now driven by Kasper Foger. Good chance again. **8 Knock On Wood** is a stable companion to our pick and Flemming Jensen's choice. Won three of 13 races last year but has a difficult starting position. Early contender though. **9 Entertainment** galloped in the last race but had three consecutive second spots before that. Jeppe Juel is hoping for quick pace. **3 Otis Dragon** took three wins last year. Hasn't raced since Christmas Eve and could use this run under his belt. Good lane. Place bet.

## RANK

**1 Ingmar Banker** had a good season last year with five wins and six second spots. Won last time but makes his seasonal debut here. Vi assume that Flemming Jensen has prepared his horse well. Nice draw and good chance. **6 Black Mountain** is trained and driven by Henrik Lönborg. Won four races last year and has been very consistent and good at the end. Early choice. **7 Reginald Dwight** won the last race as a big favorite and had two consecutive second spots before that. A bit tricky number but possible with the right trip. **2 Moses Di Quattro** has a good number for Jeppe Juel and should not be overlooked if the favorite would fail.
