## RANK

**3 Tysvär Odd** is our pick in this very weak race. Took five wins last year and earned by far the most money. Not reliable but if he avoids a mistake he has a good chance in this field. **4 Gjöndina** won four races last year and has been quite consistent lately. Has galloped a lot but is still an early choice in this company. **8 Ask Luna** returns after a short layoff. Should not be discounted here. **6 Båtsmann** has not raced for a long time but is not that bad and is possible here.

Our winner. **2 Spang Ada** has won three out of the last four races. Coming off a great win and had had a break before that. Should be even better now. Very early challenger. **6 Best Vind** won from the pocket in his comeback two races ago and sprinted to a comfortable victory in the last race. On the way up and early choice. **4 Mjölner Jördis** made the most money last year but hasn't won for a while now. Was brave last time and should be considered early.

## RANK

**1 Zevs Down** gets our pick in this very open race. Won from the lead in December and should get a nice run from this number. **5 Just In Case** is an early choice for us. He was second from the lead in the last race at Romme in Sweden as a big outsider. He opened quickly then and will probably go for the lead again here. **3 My Secret Love** started well this year with a victory and a second place but was perhaps not at his best in the last race when he finished fifth. Good number and is possible. **8 Blue Berry Hill** has a very difficult number but is not that bad and won at Bjerke two starts back. Needs a bit of luck.

**1 Fröken Fransen** has a nice task here. Scored a strong second spot in the last race and seems in good form. She will probably get a nice run from this lane and is an early choice. **2 Theoprinsen** has been heavily backed in his two starts. Won in his debut but galloped in the last race. Has to avoid a mistake first and then he has to be considered. **8 Lodins Gjenstridige** has already taken two wins in six starts and is also good for this field. He put in a good final lap in the last race. **6 Nibo Ö.K.** found the lead in the last race and took an easy and surprising win. Different number now but should not be underestimated again.
