### V4-1

## RANK

**5 Mondriaan Boko** returns after a longer break and now makes an interesting debut for Matti Nisonen. The form is a question mark, but he has good capacity and should directly have top chance in this company. **7 Västerbo Blizzard** shows decent form for the day and can finish strongly. **2 Anastacia Broline** is a quick starter and could reach the back of the leader here. **8 Kattens Aladin** finished strongly three wide last time but finally galloped on the home stretch.

### V4-2

## RANK

**2 Jopp** is strong and can do it tough. Should reach a nice position on the outside straight away and has a good chance to win this. **3 Global Billboard** finished with some energy left last time. If he should manage to find the lead, he should have a good chance to challenge our pick. **6 Portofino** returns after a break. Met tough opposition last year and tried to qualify for the Swedish Trotting Derby. **7 Gasparito** has been competing in the V75 at the end and done alright. Easier opponents now.

## RACE 3

### V4-3

Auto 2140

## RANK

**9 Pure Lana** made her annual debut last time and needed that race. Definitely better with that run and is our pick in this open race. **4 Adriana Queen** finished well last time and showed that her form is on the way up. Should be considered early from a good draw. **3 Cuelebre** did not trot well in the first start of the year. Strong filly who certainly is improved by the last race. **7 Lexi Boko** is fast if Jorma Kontio chooses an offensive start. Possible in the lead here with one run under his belt.

## RACE 4

### V4-4

Auto 1640

## RANK

**2 Emelie** is fast from the start and the favorite for the front. She won easily last time from the lead and has a good chance to repeat that effort here. **9 Björkhagas Alfred** finished fast last time and scored a big upset then. Starts behind a quick horse here and should get a nice trip. **1 Önas Ramone** is fast from the start and could get a perfect run behind the leader. **10 Hidden Dragon** is perhaps the best horse but has not started since November. Tough to demand victory from this number over the short distance directly in this seasonal debut.
