RANK

7 Cool Trix is a top horse who is now coming back after a few weeks break. Normally finds the lead after a while and will then be hard to beat. Top chance! **5 Capriccio D'Amore** is consistent and good enough to be on the podium here too. **8 Swagger** has not started since November. Usually does well straight after a rest and normally challenges for the top places. **3 West Wind** did well in the last race without having a real chance to win. Mainly a place bet.
