5 Filling Fuel has a very nice task here in his comeback. He has faced much tougher conditions and got a nice lane. Will probably get an offensive trip. Driven by the trainer here. Good chance anyway. **1 Kill Posin** is a contender behind the favorite. He faces easier opponents now and competes barefoot and with a bike. Driven by Mika Forss now. **6 Fructose** won at this track at the end of January. A bit tricky number but should be considered early on. **7 Oak L.A.** has not convinced of late and his form is a bit of a question mark. But he is good for this class and should not be forgotten. Can open fast.

10 Hominid is our pick in this nice race. He has done really well so far and comes from several nice efforts. Has had a break but should be considered straight away. **9 Uno** is Hanna Olofsson's choice out of three good horses. Won two starts back and galloped on the way to a good result on the home stretch last time. Chases revenge. Difficult lane. **12 Bornunderthunder** is a stable companion to Uno. He has two wins in a row and the faces the best conditions money-wise in this race. Of course he hopes for quick pace from here. **6 Service Bulletin** also belongs to the Olofsson stable! He is our close favorite for the lead in this race and is possible in that position. Driven by John Östman this time.

Our close favorite for the lead. **3 Second Breakfast** took two straight wins at the end of last season but has rested since then. Good draw and is driven again by Mika Forss. Can open fast. **5 Lots Of Fun Sisu** is also a quick starter and should get a nice race. Got locked in with a lot of energy spared as second last time and has a good lane. Early choice. **1 Healthy Meal** has started the season well with two wins in four starts. Faces tough conditions money-wise but should get a nice trip from here.

4 Raven won four out of five races last year and is our winner. Has a good lane and is fast from the start. From the lead he will not be easy to beat together with Jenny Engfors. **11 Kiwi Sisu** belongs to the same stable as our pick and is Sandra Eriksson's choice. Had a really good season last year and put in several nice performances. Barefoot now. **12 The Oak L.A.** faces the best conditions money-wise and is really good for this field. Won from the outside leader in the last race and is an early choice despite this lane. **9 Speed Matters** galloped as a favorite in the last race won by The Oak L.A. and is now looking for revenge.
