5 Marta has been consistent and good and won directly in the seasonal debut last year on Bro Park. Elione Chaves is an advantage and they should have a good chance to win this. Banker. 1 Miss Maybach can open fast and will probably be allowed to determine the pace in the front. Won this race last year and beat Marta then. Main challenger. 3 Hot Bagatelle ended last season with four straight wins. Belongs to a stable in great shape and has to be considered directly in this seasonal debut. 4 Iffanny Crow put in a couple of great efforts last year without winning. Possible outsider.

3 High Max was a bit unlucky on the home stretch in the last race but finished really well. Is in good form and the gelding won over these conditions last year. Our pick. 1 Valon did not win last year but uses to be in the mix. Faces nice conditions in this Iron handicap race and will be ridden by P-A Gråberg again. The latest three wins were scored together with him. 7 Enkrona did alright in the last race and is certainly even better now. Possible. 2 Label Black scored a strong victory two starts back and this longer distance could be an advantage.

4 Augustus Caesar has raced on Wednesday too just like some other competitors in this Silver race and the chances are not easy to predict. Did not win a race last season but was always matched over this 1000 dt in England. Our pick. 1 Houston Heat did well over these conditions when he finished second to Freemanip. Contender. 2 Bandola won three races last year and handles these conditions even if they are not an advantage. Possible. 6 Hypochondriac comes from victory and should be considered again here despite tougher circumstances this time.

4 Saint Jimmy was closely defeated by Essere in the last race. Has to be considered early with a similar effort but this distance might be a bit long. **1 Gold Sensation** should be on the way up with two races under his belt. His two victories have been scored over this 1600 dt. Early choice. **2 Surfers Paradise** scored a convincing and sensational victory in the last race after a perfect trip. Possible again despite tougher weight now. **3 Isidor Almqvist** scored three straight wins last year and was improved a lot. Faces tough conditions here but could be an outsider.

2 Plantstepsdream put in a strong performance in the seasonal debut and came in third behind Sea Lieutenant and Couples. Has earlier won over these conditions on Bro Park and the gelding should have top chance here. **10 Lushes Lashes** has put in strong efforts in the last two starts without blinkers and is in great shape. Main challenger here with a similar performance. **3 Troubled Guy** did not start in the last race and might need this one to be at his best. Has been at least second so far though and is possible too behind the favorite. **6 Arabianranta** faces perfect conditions here and could be in the mix too.

9 Hootenanny comes from a good effort over these conditions and was third to Sharp Eye. Elione Chaves is a big advantage. Our pick despite this poor draw. 4 Sharp Eye comes from a well deserved victory after many nice performances in a row. Faces tougher conditions this time towards Hootenanny but is well drawn. 3 Jungle Dream is in great shape and this task is really nice. Contender. 6 Silky Road is good for this class and this apprentice is really interesting. Should be followed.
