RANK

2 Charmant De Zack was second in the last Group II-race where places in the Prix d'Amérique were at stake. Has earned more than eight million SEK so far and is by far the richest horse here. 3 Natorp Bo has been sharpened in a faster track job for this comeback and with the help of his starting speed he is also guaranteed a nice position. 8 Yuvaraj had to go empty in the lead last time. Poor track, but possible anyway in this small field. 1 Akilles Face has good capacity, but the form is a question mark.

RANK

10 Poker Lane is Roger Malmqvist very pleased with and he thinks the horse has earned far too little money so far. We agree and believe that he should have a good chance to finish to victory. 2 Knockout Charlie owns good speed and is developing well. He is the main challenger here. 6 Rocky Tile will get some changes in the equipment and will certainly go for the lead with this interesting number. 5 Nash Keeper galloped under attack with 600 meter to go last time and was hardly empty then. 3 Satsuma won very easily last time.

RANK

5 Filadonna didn't convince in her starts at Vincennes. The three-year-old has earned more money than all his competitors combined and should have the best chance to win regardless journey. **4 Zipzeronada** owns good speed. The mare can open fast and has a good chance to find the lead initially, but is likely to give it away when the favorite comes. **1 Malkia** is very well drawn, but needs lots of luck to win this. **7 Charma** has looked good in this year's three starts and the form is on the way up.

RANK

9 Hamilton L.C. has shown good form. He is fast from the start and over the short distance would of course have preferred a lane directly behind the gate. Will get a more defensive journey now, and could take advantage of the high pace in the race. **2 Trixwithtrimmix** has a run under his belt and will now compete with optimal equipment. **6 Vikings Saga** was strong from outside the leader at Solvalla in the last seasonal debut. **7 Honey Express** has shown nice skills and this driver is very gifted for this race.

He has been splendid so far and comes from a superior win in a top time finishing 10.9/800 meter. **2 Far Wise As** is a future top horse despite having won only one race in four starts. He got a nice trip in the seasonal debut and has been aiming for this task. **1 Valnes Phenix** has been matched against the best horses of his year and followed nicely behind Romulus Tooma last time. **8 Follow Him** won easily in the debut for trainer Steen Juul last time.

1 Rustico has been matched and put in nice efforts in the V75 for a long period and stepped down in class in the last run. There he led every meter and won in a powerful way. Favorite for the lead again and good chance in that case. **11 That's It** likes the long distance and owns a strong finish. **7 Fairplay** got a run under his belt last time. Is capable and an early contender from an interesting draw. **3 Hilding Tif** owns good strength and could be an early choice with a nicer trip this time.

RANK

6 Evandro Degli Dei looked splendid and in 1.11.4 from outside the leader. The four-year-old makes his debut for a new trainer in this comeback and with a similar performance he should have top chance in this low class. **1 Emerald Island** has put in many strong efforts and scored five straight victories. **2 Famous Photo LA** is in top form and owns a sharp speed with the right journey from the back. **12 Amoa Bengt** needs of course a lot of luck with this number, but he has put in many good performances lately.
