1 Global Freeway had two gallops in his last comeback, but looked nice and with that run under his belt he should have the best chance to win this race. **5 Sandsjöns Amazing** has two runs under his belt and is starting to get closer to top form. Met too tough opponents last time. **8 Cobol Infinity** needed the last race and will be improved this time. **7 Spybourne** galloped twice in the last race. Is the main challenger to our pick. **11 Nelson Rappen** gave up from the lead in the last race. Tough and strong horse who could be in the mix here. **10 Lia Lykke** finished well in the seasonal debut. John Östman for the first time is interesting.

8 Lejo scored a nice win in the last race and put in a strong effort. Looks to be getting better with every start and will not be easy to resist in the final lap. **7 Scotch Bonnet** gave up at the end from the lead in the last race and is normally an early challenger. **6 Chill Of Mine** uses to put in consistent and good performances. Has a couple of runs under his belt now and is good enough to be in the fight for victory. **9 Lavazza Dee** has not started for a while and the chances are hard to predict. Could cause a surprise without a mistake.

10 Snyggen never had a chance from far behind last time. Much better before that and with a similar effort this time the ten-year-old could be the winner. **12 Spik Ternar** did alright in the last race. Now the opposition is a bit easier and even though the starting position is difficult he is an early choice in this race. **1 Alm Stjernen** has only one win in his career, but now faces an exciting task. **11 Bara Prinsen** is possible straight away and could be a contender.

6 Global Email is coming back after a long break and his form is hard to predict. The five-year-old is fast in the circular start and should find the lead and then he becomes hard to reach. **12 One Chance More** gave up in the last race after quick pace in the lead. Early contender if he can save the speed. **9 Rare Magic** has a run under his belt and has both the speed and capacity to be in the fight for victory. **11 Justpaymybills** makes an interesting debut for a new trainer and should not be overlooked.

11 West Wind finished nicely to victory in the last race. The mare is fast when with the right trip from behind and with the right positions she will normally win this race. **10 Global Crusader** comes back after a break and although his form is not quite at his best he has the capacity to be in the mix. **4 Southridgeclayborn** is consistent and good. Now he runs barefoot which is interesting. **12 Big Catcus Zet** can sprint fast with the right defensive trip.
