Summary : A good winner on her only run so far at Le Mans KISS ME DU BOURG (6) can follow up and remain unbeaten, the second and third to her at Le Mans have won since. L'ACAJOU (4) is a big threat as the son of Frankel looks as though he has plenty more to come, he ran well in a Class 1 race at Lyon Parilly when third on his latest outing. SEVENNA'S KNIGHT (3) has been improving and was a respectable second on his latest outing, he is not totally out of this. ASTAIRE (1) won well on his only run so far and looks best of the remainder.

Summary : BLINDMAN (3) drops to a claimer to try to get off the mark, he is more than capable of winning. A good run in a handicap at Chantilly two starts ago when he was not beaten far off the winner was a pleasing effort as a few winners have evolved from that race. MAIMOUNA (7) was a good second in a claimer on her last outing, she can be involved at the business end. MARKSWOMAN (5) has been running in better races and has every hope that she can make the frame. KING MOLLENKOTT (9) needs a good deal more than he showed on his last run to win, but he can be on the premises.

6. ELLERTON - Refused to race on the last run. A good 2nd before his last misdemeanor at Nancy over 2500m. Capable if in the mood

Summary : The mount of Christophe Soumillon BARBATE (2) looks like the best option. He was a good second at Chantilly over 2400m and looks a progressive type. ZULU WARRIOR (3) has plenty of racecourse experience and although only fourth on his last run at Parislongchamp in late April, he was not beaten far, he can pose the biggest danger. SHALKHAR (1) can have a say if running to his debut effort when third at Chantilly. ELLERTON (6) has plenty of ability, but refused to race on his last run.
