Class 1 Race - Flat - EUR € 30,000**

1. DIOPTASE - Ran 2nd in a Group 3 event over 2100m at Saint-Cloud on 9 May. That was an excellent performance and makes him the runner to beat.

2. DONEGAL - Finished 7th over 1700m at Marseille Borely on 26 May. On that run he looks well held by MARCHEMALO (3)

3. MARCHEMALO - Finished 4th over 1700m at Marseille Borely on 26 May. His best form has come over longer distances so he will benefit from the return to 2000m

5. HARICOT - Finished 3rd in a Conditions race over 1600m at Lyon Parilly on 15 May. This colt will benefit from the extra 400m this time.

Summary: Runner in a Group 3 at saint-Cloud last time out, DIOPTASE (1) has an entry for the Arc De Triomphe in October and if he has ambitions to be competitive in that event, he will need to win a race like this. HARICOT (5) is in good form and appears to be looking for this sort of distance. C'EST VRAI (4) has won at this course and should improve on his last start. MARCHEMALO (3) should run into a place with his return to 2000m.

Summary: Based on their previous meeting at this course, CHARMING CAT (1) holds most of the other runners on that form line and will be hard to beat. AMELIA (4) ran not too far behind him on that occasion and should provide the main threat. Both ST LUNAIRE (2) and FIRSTAU CHOPE (5) finished further back in that event and neither looks likely to turn the tables on both runners.
