1 Fuego Jet has done really well lately and scored a good second spot in the last Solvalla race. Faces quite easy opponents and from the inner lane he should be a good chance of reaching the front. Once there he is the horse to beat. **3 Nybys Dimension** has a run under his belt after a long break and should be improved. Is good for this company. **11 Hankypanky Slander** has been matched in good fields. **8 G.R. Tintin** is in fine form and possible but needs some racing luck.

1 Saphir Bo scored a good win in the seasonal debut and showed high capacity. Last time the horse opened brilliantly from the inner lane, but galloped in the first turn. Now the driver will keep the horse sharp and then they should have top chance. **8 Giunco** was nice when he won in his debut but galloped in the last race. Barefoot behind now is an advantage. **12 Not Over The Top** has been a bit up and down. **10 Baby Boss** has shown good speed for this class and will soon score a victory.
