RANK

7 Lady Trize is probably the best horse here. Has shown fine form towards the end and should have a good chance to pass all opponents during the final lap. **5 Marvelous Mosell** was injured and didn't race at all last year. Has two runs under his belt now and is coming off a convincing win. **2 Kajsa Hancock** is a bit better than the latest results show. She is aiming for the lead and should not be overlooked from here. **1 Kenddenpåknäcket** has not won yet after nine attempts but will probably get a nice trip from here. A place bet.

RANK

5 Lonesomerider has won three of eight races and is coming off a strong win ahead of Lamborghini C N among others. With a similar performance he should have top chance here. **6 Lamborghini C N** was heavily backed against our favorite in the last race but looked a bit slow and was clearly defeated. Is looking for revenge here. **1 Last Blood** has started well and this number is also good. Defeated several of today's opponents in the last race and is a challenger. **2 Labour Spring** galloped in the last race behind Last Blood and is looking for revenge. Should not be discounted.

1 Kilkenny is our pick in this fairly open amateur race. Is consistent and good and will probably get a good trip from this position. **2 Joe Roberts** is an early challenger. Comes from victory and will go for the lead as well. **9 Joey Gardena** has already three wins this year and faced tougher opponents in the last race. Should be considered early in this company. **11 Hambo** has shown great form lately but has also met some easy opposition. Possible here.

1 Gaghan Frisco is our pick in this sprint race. Is fast from the start and has got an excellent number. Could reach the front. **3 Hyacinth** can also open well and she has a nice lane too. Comes from a good second place and is in fine form. **7 Danilo Fönix** won from the lead in the last race but has a much tougher draw this time. With the right trip he will fight for victory. New driver. **5 Jeteye Boom Bay** won five races last year but hasn't really lived up to the expectations lately. Shouldn't be discounted.
