5 Under Armour did a really good job in the last race and disappeared at the end despite some serious pressure in the lead. Better with that run under his belt and should have top chance. **6 Xanthis Hilton** didn't get a real chance in the last race won by Makalu Doc. Looks in good shape and is the main challenger to our pick. **9 Boscha Diablo** did not trot well on the outside last time. In the mix despite this post. **1 Isseymiyake Secret** is well drawn and with two runs under his belt he is starting to approach top form.

Nice efforts in the previous races and normally in the fight for victory. **3 Stan Wawrinka** did well last time and is now benefiting from the fact that there will be a bit more time between the starts. **10 Quattro Håleryd** has four wins over this distance and high pace would benefit him.

11 Luxury Rain is coming back after a pause and for a new trainer. She is working well before this comeback and despite the lack of races and this number, the mare should have a good chance of winning. **12 Who's Funky** was strong in the last race and looks to be on his way to top form. In the fight for victory. **4 Orel Boko** made a nice recovery in the last race. Strong type who would benefit if he could find the lead. **9 Avici Willow** gave up from the lead in the last race but was much sharper the previous time. Normally in the mix here.
