3 Magic Caviar has won four out of eight races. He can open fast and likes to run in the front. Is better drawn than the main rivals and our pick here. 7 Gazoline scored a comfortable win in the lead on Lycksele on July 2 and could be even better now with the latest runs under the belt. 6 Love You Sweden is good for this class. She has scored four wins in nine attempts and shown the right attitude. Interesting here after a break. Early choice. 5 Gun Runner is strong and won over this distance in the last race.

7 Speedy Tilly is by far the best horse here and normally too good for these opponents in Lycksele. He resumed from a spell in the last V75 race against tough horses and finished well a bit behind the winner. Hard to beat here. 6 Imagine Boko got an offensive trip in the last race. He was brave and scored a good second spot. Faces quite easy opponents here. 5 Dante Godiva has not been at his best so far this season and is still chasing the first win of the year. Outsider. 2 Kingofthehill F. has looked nice after a break and should be in a good form with a couple of runs under his belt.

3 Bol Brage is back in good shape after a slow start of the season. Got locked in with energy left in the last V75 race and faces nice conditions here. Our winner. 6 Don Viking is one of the better cold blood horses in Sweden when he lives up to his capacity. Has recharged the batteries and should always be considered in this type of races. 7 Forspärla can finish strongly and this small field is an advantage. She could be hard to beat here. New driver. 2 Källsjöving has been improved and scored two wins in a row without shoes lately. Tougher opponents now but is in great shape.

3 Anthem finished well to a good victory two starts back and finished strongly in the last race too. Can open fast and is well drawn this time. The horse to beat. 5 Gatelink scored three wins last year and in the latest runs she has shown good form again. Early contender. 8 Clear Eyes faces nice conditions money-wise and meets easier opponents this time. Has earlier done well for this driver. Challenger. 7 Happy Confess is consistent and seems in good shape. Mats E Djuse is an advantage here.

1 From the Mine won in the lead two starts back and had energy left in a top tome against very tough opponents in the last race. He is back in great shape and faces very nice conditions here. Top chance. Banker. 6 Belker was very successful as a young horse and seems on the way up again for trainer Robert Bergh. Was improved in the last race. Challenger. 5 Eder Bob is really good in the last race but he failed in the last race under the saddle. Should still be in good form. 3 Magnifik Brodde has won this race the last couple of years but the form is a question mark now after a break.

9 Voltaire P.Hill has been at least second in seven out of 14 starts this year. He is strong and can do it tough. Faces much easier opponents now and should have top chance to win this. 2 Dark Angel Avenue won this winter but has not convinced lately. Debut for a new trainer here and could be improved. Outsider. 4 Boston Flip needs a nice defensive trip to be at his best. The Stefan Johansson stable is in good form. Outsider. 5 Weasel W.F. won two starts back despite a tough journey.
